Truck is in very good shape

Exterior- no dents, dings, rust or scrapes and the paint is in very good condition

Interior- tear in the front drivers seat, but otherwise the upholstery is in good condition

Undercarriage- very little surface rust .. in very good condition

Tires- very good, about 2 years old- 80-85%

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
