Truck is in good shape

Exterior- no dents, dings and except for a small spot or 2 of oxidation the paint is in very good shape

Interior- in good shape. One small tear on side of drivers side seat otherwise all the rest of the seats or upholstery are good.

Undercarriage - in good shape- minor surface rust

Tires- in good shape

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
