an some of the body moldings need repair

Interior- in good shape

Undercarriage-in good shape some very minor surface rust

Tires- will need to be replaced soon

Vehicle was a patrol car for a short time.

Lighting package is only a year old and the car has been a demo car for the last year.

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
