- This unit has radios shown in the picture. They will be removed. Two roof antenna coax mounts are still in place. There is also a wifi/cellular antenna on the roof that will remain. We can also include a 4g CradlePoint if it helps. The buyer would just have to activate service. Currently on Verizon Wireless.

It also had a Ward Diesel No Smoke System as well.

Brindlee Mountain Fire Apparatus is one of the world's largest used fire truck sales and service companies. Based just outside of Huntsville, Alabama, the company has forty-five full-time personnel occupying over 12,000 square feet. Our mechanics, all of whom are EVT certified, perform pump tests, general repairs, preventative maintenance, and body, collision, and paint work on over 500 used fire trucks every year.
